2. General Statement of Service rendered.

Mr. PAUL C. CHILD, civilian, serving with the Armed Forces of the United States in the China Theater is cited for exceptionally meritorious conduct in the performance of outstanding services during the period from 1 December 1944 to 15 August 1945, when he served as Chief of the Presentation Branch of the Office of Strategic Services, China Theater. In December 1944 Mr. Child at the special request of Lieutenant General Albert C. Wedemeyer was transferred from the Office of Strategic Services, India-Burma Theater to the Office of Strategic Services, China Theater. Also at the request of General Wedemeyer, with great technical skill he designed and built the War Room of Headquarters, United States Forces, China Theater in Chungking, China. Mr. Child, a pioneer in radical types of creative map presentations and visual charts, developed presentation techniques which had not previously been used. With great initiative and ingenuity he put these modern techniques into use in the Theater Headquarters War Room. By diligence, perseverance and sheer hard work, and in spite of great difficulties, such as shortage of material and lighting fixtures, shortage of working tools, shortage of properly trained assistants, and a dearth of statistical guides, Mr. Child working practically single handed completed the War Room in a short period of time. The thorough completion of this War Room contributed greatly to the planning of tactical operations by the Staff of Headquarters, United States Forces, China Theater. In addition, Mr. Child designed, constructed, outfitted, and maintained the War Room at Headquarters, Office of Strategic Services, China Theater at Kunming, China. This War Room contributed immeasurably to the planning committee of the Office of Strategic Services, China Theater. By efficient organization of his personnel,

The attached 2nd Ind. has been prepared after consultation and at the suggestion of Colonel Gardner, Chief, Decorations and Awards Branch, Adjutant General's Office.

There is no hope for the award of the Medal for Merit in this case and Colonel Gardner suggested that your indorsement propose that the recommendation be considered for a War Department decoration. The Distinguished Service Medal is designated in the indorsement and if that is not favorably considered I am sure a decoration of less importance will be awarded.

If you approve will you send the indorsement back to me when you have signed it.

To : H. C. Barton, Jr., Chief
Presentation Branch
From : Colonel Richard P. Heppner
Colonel John C. Coughlin
Subject:

24 November 1944

It is our understanding that at the present time the Presentation Unit in Kandy consists of:

Paul Child
Sgt. John Moore
Cpl. Sam Berman (presently en route to U.S.)

It is our further understanding that the following personnel are in various stages of preparation for departure to Kandy:

Jeanne Taylor (approximate date of departure Dec. 1)
Seymour Nyderf (approximate date of departure Dec. 20)
Elsie Rosenberg (approximate date of departure Dec. 20)
Wilma Riley (approximate date of departure Jan. 15)

You are presently in process of recruiting two other people to complete the staff at Kandy requested by Colonel Heppner and Paul Child, and agreed upon with General Donovan during the recent meetings with Commander Taylor.

We are in agreement that because of working relations between Paul Child, and both Colonel Heppner and General Wedemeyer, that Child should be transferred, subject to his own wishes, to China, where he will be the head of a new Presentation Unit approximately the same size of that needed in Kandy. This will require that a replacement for Child in Kandy be obtained and that seven additional people be recruited for China.

You advised us that recruiting was now in process for a small Presentation Group, consisting of three people with Detachment 101, which was requested by Colonel Peers on his recent visit. This makes a total of 13 additional people needed in the Far East.

You stated at our meeting that three of the best qualified individuals you had been able to locate for this type of work are Engineer Officers now on duty at Belvoir. Inasmuch as these men have all had experience in various types of presentation work and have as well engineer training in camouflage and model making it is evident that they would be extremely useful. You pointed out, however, that there is a G-1 ruling prohibiting the transfer of Engineer officers. If other qualified personnel cannot be obtained, Colonel Heppner may be able to have General Wedemeyer request the assignment of these Engineer officers. In this event you will please send a draft of such a request to Colonel Heppner.

DECLASSIFIED

24 November 1944

As a result of our meeting, it is now considered unnecessary to assign William Smith, presently assigned to Presentation SEAC, to the MO Branch, Burma-India. The purpose of his brief assignment, you stated, was to have been a further evaluation of the needs of that unit for Presentation personnel in order to assist you in your recruiting here. As you have informed us, however, this will not now be necessary on the basis of additional information forthcoming from Cpl. Berman who is returning and from others recently returned from that area.

We wish you to expedite procurement and shipment of this personnel. The three men, Child, Moore and Berman, already sent have proven the value of presentation work. Each of them, Mr. Child in particular, has been highly commended by the Army for his work, and we expect this strengthening of relations as well as the direct assistance in OSS training and briefing work, to increase thru the establishment of amply staffed Presentation Units in Kandy and China.

Dear Paul,

In my letter of 23 February, I stated that Per Diem was paid at APO 432 through 18 December, not December 12. Therefore, I am collecting the 12 days Per Diem, which I paid you for 18-31 December, from your January pay. Your pay is \$114.02 per month, minus the 12 day per diem at \$5.60 per day, leaves \$76.82.

Enclosed please find a check for \$76.82. 12
Per Diem, Dec. 1 through Dec. 12

Salary, Dec. 13 through Dec. 31
Per Diem, Dec. 13 through Dec. 31

For Miss, Dec. 13 through Dec. 31

FOR COLONEL HEPPNER: from Dec. 13 to Dec. 18 -
were never specifically paid for, and twelve days' per diem - from
Dec. 13 through Dec. 18 - were paid by mistake. In other words, and
what's her name has been overpaid, rather than that I have been
paid for the latter part of December twice. This still leaves my
January salary unpaid.

CHARLES N. DAVIS,

Could it be possible to make out my January

for any reason, I will send you whatever sum you indicate either in
Chinese or American money. But you must do the figuring, not me.
It will probably seem impossible to you, who feel in financial matters
generally, but I find money, salaries, per diems, rapeseed, etc. and

OSS-SU Detachment 202

Dear Charles:-

Your letter of 23 February is at hand, with its explanation of the confusion resulting from my being on TD, and not on Det. 202 payrolls. Thank you.

Judging from the data given in your second paragraph, the situation seems to be this:

Ceylon Paid - Salary, Dec. 1 through Dec. 15
Per Diem, Dec. 1 through Dec. 12

Calcutta " - Salary, Dec. 15 through Dec. 31
Per Diem, Dec. 18 through Dec. 31

Kunming " - Per Diem, Dec. 18 through Dec. 31

Therefore five days' Per Diem - from Dec. 12 to Dec. 18 - were never specifically paid for, and twelve days' Per Diem - from Dec. 18 through Dec. 31 - were paid by mistake. In other words, one week's Per Diem has been overpaid, rather than that I "have been paid for the latter part of December twice". This still leaves my January salary unpaid.

Would it be possible to make out my January pay check minus the sum I apparently now owe you? If this is not feasible for any reason, I will send you whatever sum you indicate either in Chinese or American money. But you must do the figuring, not me. It will probably seem impossible to you, who deal in financial matters constantly, but I find money, salaries, per diems, rupees, C.N. and dollars so confusing that my affairs are often in the present state of bewilderment.

2. In regard to Major Sholtz' accounting of his expenses to you is this correct: Major Scholtz has fully accounted to you for his expenditures whether or not he returns to this theater. I have disallowed the expenditure of an air mattress in the case of Capt. Pittard, and Mr. Boehl never put in an expense account for one. Capt. Chartrand and Mr. Gleason and Lt. Dear Joe:

1. Enclosed is overseas data sheet covering Poonpern Krairiksh. You will note that his salary will be handled the same as the other three Thai officers, with the exception that \$31.00 will be deducted quarterly from the salary you will pay to Poonpern Krairiksh out there, to cover the payment from this office on account of his insurance. I think the best way to handle this is for me to advise you when the premium is paid and you deduct the amount from the next salary payment. The Free Thai Legation has already reimbursed us for Poonpern Krairiksh' October salary.

2. I received your letter dated 11 September 1944 regarding Major Scholtz expense account. The Major came in to see me and after considerable discussion I came to the conclusion that we would have to disallow the amount of \$121.00 covering cost of 6 air mattresses and accessories. I have allowed the item of \$16.67 covering the cost of 3 flashlights. The other two items were \$153.04 covering expenditures incurred re Mr. Pularak, Mr. Tillaka, and Mr. Sinasen, and \$17.09 covering expenditures incurred re Sinasen. Major Scholtz advised me that he had detailed accounts on these expenditures in Kandy and stated to me that these items covered expenses in Merut, Delhi, Agra, Bombay, Bangalore, Colombo, and Kandy, and that there was included items incurred in entertaining British officers in connection with the three Thais. He said all ordinary expenses of the three Thais were refunded by them, but some of the expenses could not be charged to them. If Major Scholtz returns to Kandy, I have advised him that he should account to you in detail for these expenditures out there and we will transfer the amounts to your office. If he does not go back, I have advised him we would allow the amounts here.

Referring again to the mattresses, Major Scholtz advised me that Captains Chartrand, Pittard and Mr. Boehl reimbursed him on the understanding that they would put in accounts and be reimbursed from your office. You have already advised me that you have disallowed this item in Captain Pittard's account and you should also disallow the item in the accounts of Captain Chartrand and Mr. Boehl. Major Scholtz advised me that he is not sure, but he thinks the other 2 mattresses were taken by Mr. Gleysteen and Lt. Drummond. If these 2 men are in your territory, you should also disallow the item in their accounts. I think Mr. Gleysteen is now a Navy Lieutenant. I have asked Major Scholtz to reimburse me for the cost of his mattress as well as the cost of the 3 given to Captains Chartrand, Pittard, and Mr. Boehl. We will charge the cost of the other 2 mattresses to Gleysteen and Drummond.

3. I am enclosing a copy of the overseas data sheet for Paul Child as requested in your letter of 3 October 1944.

Dear George:-

Your letter of 25 May received. I am paying R. K. Ender the same per diem that he would receive were he under Civil Service. This is agreeable to him. Don garden is being paid likewise.

Paul Child is being paid according to the State Department Living and Quarters Table.

C.F.

Pat Meade is wearing the uniform which he purchased. Should we reimburse him for this or should we merely reimburse him for that part of his uniform that he cannot use due to the fact that he is not an officer. It is my opinion that we are not to pay civilians for clothing or equipment such as his flight bag.

A. Boehl accounted for \$4,000.00

In regard to the advances that Major Lanterman made to six officers and himself, I have notified Joe Leete to collect the advances from those men in his Theater and I will collect \$100 from Major Lanterman and the other officer stationed here. In both cases this will be a credit to transfers from Washington.

I received Colonel Williams' letter dated 8 April only a short time ago as that particular letter was lost at sea and a duplicate was greatly delayed. However, I had already written him concerning the method of paying per diem in this Theater and I am awaiting a reply.

I have already written Washington that we are not able to furnish living and quarters to women employees and it was General Wheeler's wish that they should be billeted at the Queens Hotel which we are doing.

Washington, D.C.

Dear Mr. White,

On Jan. 30th 1944 at Rear Echelon Headquarters in New Delhi. I had a conversation with Colonel Harry Berno concerning my salary payments under Special Funds. At that time I asked to have him so arrange them that an additional \$200.00 per month, as well as the \$75.00 then being deposited to my account in the form of War Bonds, be deposited to my account in The Solebury National Bank of New Hope, Bucks County, Pennsylvania. I now would like to

change this arrangement in such a way as to have \$150.00 per month deposited to my account in Solebury and the additional \$50.00 per month paid me here with the rest of my salary.

Captain Croll, the present finance officer, instructed me to write this letter to you, and to request that you send him a formal notice of this change.

Very truly yours,

Paul Cushing Child.

TO: MR. R. G. WHITE
Special Funds, OSS

Washington, D. C.

For your information, Paul Cushing Child reported at this station and was put on the payroll in accordance with the overseas data sheet which was received from you. Attached is a memorandum from him which is self explanatory. It will be appreciated if the arrangements as stated are carried out. We will then pay him beginning in January 1944 a monthly salary rate of \$94.02 and a per diem rate of \$6.00 per day retroactive to December 27, 1943 which date he left the continental limits of the United States. This per diem rate was decided upon because other civilian personnel have the same and it was decided, in fairness, to treat Mr. Child like the rest of the civilians.

For your information, the officers on whom I have received overseas data sheets are now arriving and I shall attempt as soon as possible to get the accounting and send the reports to you. I have already recommended by cable that payment of any money to military personnel is unnecessary and we hope that this advise will be followed. If it is not, sooner or later we are going to be embarrassed by our personnel taking special privileges that other officers do not get and we want to avoid it.

Sincerely,

In accordance with our conversation of the 13th January, 1944, will you kindly arrange my salary payments so that an additional \$200 per month, as well as the \$75 now being deposited to my account in the form of War Bonds, be deposited to my account in the Solebury National Bank of New Hope, Bucks County, Penna.

My Brother, Charles Child, of the State Department, Cultural Relations Division, Washington, has power of Attorney to handle my affairs, and can be called upon to act for me if necessary.

The remainder of my salary is to be paid to me here in Delhi, on a monthly basis.
